

EARLY CHILDHOOD LEADERSHIP INSTITUTE

Application Process

This year's ECLI will begin its training in May. Most session days take place from 8:30 a.m. to 5 p.m., with at least one overnight per session. Each session requires some advance preparation and some follow-up. Because of the interactive and interconnected nature of their time together, ECLI Associates are expected to make a fulltime commitment to the program and to their own learning and development.
